

LEARN AFRICA CANARIAS PROGRAMME

STEP BY STEP PROCEDURE TO APPLY FOR A SCHOLARSHIP

1. Go to the Scholarships section. You will find two groups of scholarships in green. Click on each of them to see the scholarships available.

2025 SCHOLARSHIPS

The application deadline has been extended for those specialized courses that have not yet been filled.

Through this call for scholarships, language courses, short university courses and specialized courses are offered. Remember that you can only apply for one scholarship from each group, and that all the courses will be taken online.

Bear in mind that a high level of the language in which the courses are taught (Spanish, English or French) is required.

The final outcome will be published at the end of July on our website (www.mujiereporafrica.es). Only selected candidates will be personally contacted.

Before applying, have a look at each group of scholarships to check the courses available:
